1. The proceedings of the last meeting held on 23rd December 2021 were read before the committee and confirmed.
2. It was informed by the Principal that the new software installed in the library are working properly. He also informed that classes have been started in the new classrooms in the 1st floor of the Administrative block.
3. It was informed that the work of the entrance of the New Administrative Block in the front facing the field in in progress and will be completed soon.
4. It was also informed that since after the new construction there is lesser sunlight in New Room No 2 and 3, battery charged lights will be installed so that faculty members do not have problems in taking lectures.
5. It was informed by the Co-Ordinator of NEP and Co-Ordinator of Prospectus Committee that the Prospectus preparation is under progress as per the New National Education Policy 2020.

6. It was also resolved that a few new cells/ committees need to be formed for smooth implementation of the NEP -2020 in the college.
7. It was resolved that since the college has few subject options in the arts stream, admission in 1st semester will be given through 4 subject combinations so that the students have a clear idea regarding their choice of subjects in 2nd year [3rd and 4th semester also]. It was also resolved that subjects will not be changed in any circumstances except some exceptional situation which will be evaluated by the Co-Ordinator of College Admission in consultation with admission committee members.
8. It was resolved that for science stream admission in UG level, the same may be adopted . However since a few points needs to be clarified from the University , it will be decided very soon.
9. The Principal of the College and the Co-Ordinator of NAAC of the college requested all the members to work fast for smooth implementation of the New National Education Policy Curriculum -2020 at the UG level from the next academic session 2022-23.

The meeting ended with a vote of thanks .
